About Hurst Financial Consultancy

Hurst Financial Consultancy was founded in 1997 by the Managing Director, Michael Hurst. The company has operated successfully in Salisbury from inception serving clients locally, nationally and internationally.

The company focus has always been on excellence.

We have also developed a strong focus on state of the art information technology being aware of its significant value in not only collating data, but managing the performance of investments. We have our own in-house IT department and use its services constantly to develop the service that we give to our clients to ensure it is always “leading edge”.

As Independent Financial Advisers we have access to the full range of products and services available in the UK as opposed to a Tied Agent or Company Representative who may only advise and offer products from the company they represent. This means that we are able to give you impartial advice and recommend the most appropriate products for you, so that you will enjoy choice, value for money and our high-quality service.
